Hydrologist #7

RE: Co-Op Mining Company, Bear Canyon Mine, ACT/015/025,
#2, Emery County, Utah

On October 23, 1985, Mr. Eldon Kingston brought replacement pages 10-29 and 10-30 and pages 3-15 and 3-16 for insertion into the Mining and Reclamation Plan (MRP) for the Bear Canyon Mine. Additionally, Mr. Kingston brought a Change of Use Application #a-13694 filed with the State Division of Water Rights October 21, 1985. This was also inserted into the MRP.

On October 24, 1985, I verified with John Sender, Office of Surface Mining in Albuquerque, New Mexico, that Co-Op Mining had paid all outstanding Abandoned Mined Land fees.

Jan Brown verified on October 28, 1985 that Co-Op Mining is currently overpaid by approximately \$5,750.00 on fines and penalties due to reduction of escrowed fines by the Board of Oil, Gas and Mining on October 24, 1985 and vacation of Cessation Order C83-1-2-1 in 1984.
